Dear student,

Your application has been accepted and you are eligible for CCB online counselling process for admission under scholarship scheme. CCB has 20% seats in reserved quota for SC/ST/OBC/General & Minority category. To avail the benefit of this scholarship, you must attend CCB online counselling process. Our counsellors will call you on your counselling date and give you information about admission process, colleges, courses, placements and other important details. Please read following points carefully.

IMPORTANT POINTS:-

- 1.If you take admission through CCB, you will get up to 60% scholarship (up to Rupees 60,000/- per year) depending upon the course and its duration) in college fee.
- 2.Besides CCB scholarship, you can also apply for Post Matric Scholarship of your state, as per the norms.By this way you can avail the benefit of both the Scholarship Schemes.
- 3.CCB does not charge any fee from the students directly or indirectly for counselling or admission.
- 4.All participating colleges of CCB are approved by AICTE, UGC, MHRD, Indian Nursing Council, Pharmacy Council of India, Government of India and State Government and other required departments.
- 5.List of colleges will be provided to you at the time of counselling. You can select the college and course from the list on your choice.
- 6.CCB will provide you an Allotment Letter after counselling process. You can physically visit the college along with the Allotment Letter and other educational documents.

Wish you all the best for your future career
